

Cancellations

Should you be unable to attend after having made a reservation, kindly notify us before attempting to cancel your room reservation. Others will be anxious for rooms once the block is filled. We will be maintaining a waiting list for those that were unable to secure a room before the block was filled.

Kindly email us at 50@sigepncnu.com and we'll contact the hotel sales office and arrange to transfer your reservation so that another Brother can purchase it in your stead.

We are excited for you to join us for this milestone event and look forward to raising a glass with you.
